5 NEW  
 fabrics  
 for fall

We have moved in time to enjoy the summer and plan for fall. New hours are Weekdays 10-5. We hope to add two evenings until 7pm this fall, so let us know what you'd like! We are in the same building; enter at the far east door (#204) and head upstairs. We will buzz you into the private studio to shop!

All sorts of newly inspired ideas are coming this fall! We will be offering our second quilt camp in Southern Michigan at Amigo Centre. The theme will be "Log Cabins". There will be finished tops on which to hand quilt in a traditional "quilt bee" setting, machine workshops, and the history of log cabin quilts lecture and slide show. Sign up early. Peace ~sarah

Are you looking for a stitching group near you? Check the Embroiders' Guild of America for a local chapter.

## Dejaquan's Dilemma:

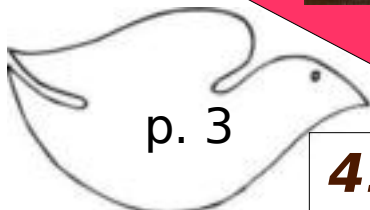

I hoped when Mom said I was going to K5 full time that I wouldn't have to work with fabric anymore! But no ~ now I have to check for web shop orders before I can play my computer games!

Did you know that Dovely will come and do a private "sale" at your: Home, school, BEE social meeting, or retreat? You pick the date and items you want to see: books, patterns, notions, gifts or fabric.

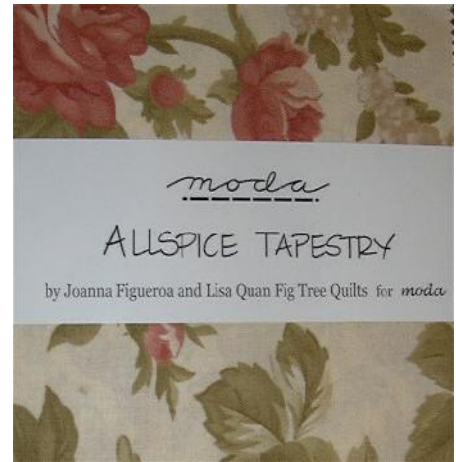

Send a fabric~gram to your favorite fabric user! Prices start at just \$20!
